NOTIFICATION OF LOSS OF SMALL ENTITY STATUS UNDER 37 CFR 1.27 AND 1.28

It has been recently discovered that some of the fees for the above-referenced patent matter were paid at the small entity status. The Assignee, Delphi Automotive Systems, does not qualify for small entity status. Below is an itemization of the deficiency payments:

Type of USPTO Fee	Current Fee For Non-Small Entity	Small Entity Fee Actually Paid	Date Small Entity Fee Paid	Deficiency Owed
Basic Filing Fee	\$810.00	\$370.00	11/09/2001	\$440.00
Extra Claims Fee (5)	\$250.00	\$45.00	11/09/2001	\$205.00
First Maintenance Fee	\$930.00	\$465.00	12/30/2007	\$465.00

TOTAL DEFICIENCY OWED = \$1,110.00

Please charge the total deficiency owed of \$1,110.00 to Standley Law Group LLP's Deposit Account No. 19-4076. A due diligence review of our records indicate the remaining fees for this matter were paid as non-small entity status. Should you determine further deficiencies in fees are due, please charge the fees to Deposit Account No. 19-4076.

All fees for this patent matter were paid in good faith and without deceptive intent. It is hereby requested that the error in entity status be excused by the USPTO inasmuch as an itemization of fees due is provided above and the noted deficiencies are hereby corrected.

Respectfully submitted,

Date: May 30, 2008
